

Shri Ram College of Pharmacy

Ramba, Karnal

Introduction :

Pharmacy is the science of research, preparation and dispensing of drugs in suitable forms and dosages. B.Pharmacy is a high profile technical course. With rapid increase in population and diseases, requirement of medicines is also increasing. More pharmacy graduates are in demand in drug industries for research & development, formulation, production, analysis, quality assurance, marketing, clinical trials, drug control administration, laboratories engaged in research / quality assurance & drug testing, hospitals and preparation of technical and medical information etc. There are 100% job opportunities in Drugs, Cosmetics Industries, Food Industries, Research & Development, State & Central Govt. Health Services, Defense Services, Private Hospitals, Teaching and Self Employment etc. To make India one of the top level global pharmaceutical innovation hub, Govt. of India has planned to help and invest a lot. The programme would generate a large number of jobs in pharma sector. Good opportunities in abroad also exist for pharmacy graduates.

Shri Ram College of Pharmacy, offering B-Pharmacy (a four year degree course), was established in 2007 at Ramba, Karnal under the aegis of Shri Ram Educational Trust, Karnal. The objective of the trust is to provide quality technical education to the students. The college is situated in a pollution free environment, on the bank of Western Yamuna Canal, 8 km. from Liberty Chowk, on Karnal-Indri-Yamuna Nagar state highway.
