

## SHRI RAM COLLEGE OF PHARMACY

### Introduction:

Pharmacy is the science of research, preparation, and dispensing of drugs in suitable forms and dosages. Pharmacy is a high-profile technical course. With the rapid increase in population and diseases, the requirement for medicines is also increasing. More pharmacy graduates are in demand in drug industries for research & development, formulation, production, analysis, quality assurance, marketing, clinical trials, drug control administration, laboratories engaged in research/quality assurance & drug testing, hospitals, and preparation of technical and medical information, etc. To make India one of the top-level global pharmaceutical innovation hubs, Govt. of India has planned to help and invest a lot. The program would generate a large number of jobs in the pharma sector. Good opportunities in abroad also exist for pharmacy graduates.

Shri Ram College Of Pharmacy, offering B.Pharmacy (a four-year degree course) and D.Pharmacy (a two year diploma course) was established in 2007 at Ramba, Karnal under the aegis of Shri Ram Educational Trust, Karnal. The objective of the trust is to provide quality technical education to the students. The college is situated in a pollution free environment, on the bank of Western Yamuna Canal, 8 km. from Liberty Chowk, on Karnal-Indri-Yamuna Nagar state highway.

There are 100% job opportunities in Drugs & Cosmetics Industries, Food Industries, Research & Development, State & Central Govt. Health Services, Defense Services, Private Hospitals, Teaching and Self Employment etc.
